

The Ppod is the product of the first collaboration between Charlie Whinney and Alun Heslop (of ChairCreative [www.chaircreative.com](http://www.chaircreative.com))

Alun is a prolific and award winning cabinet-maker, specialising in making supremely beautiful and elegant chairs from unseasoned wood and traditional hand-carving techniques

The design is a collaboration between Charlie Whinney and Alun Heslop. Charlie bends the 40mm thick boards of locally sourced Ash or Oak into shape, and Alun hand carves and finishes the bench to the highest possible standard.

The Ppod is available to buy, in Oak or Ash for £2400, Please contact Alison on [ai@charliewhinney.com](mailto:ai@charliewhinney.com) for details.
